IMPORTANT NOTICE TO MASTER.

The list described below shall be prepared and ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

Master, First or Second Officer.

Immigrant Inspector.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival and shall in no instance be taken from the vessel. The list of changes of alien numbers of crews (Form 620) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival, or such containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## EXTRACT FROM SUBDIVISION B, RULE 6

I, Master, of the SS. Lela, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the United States Immigration Law and of paragraph 5, subdivision (b), Immigration Rule 6, which appears below.

Sworn to before me this

James O. Ludwig  
Immigrant Inspector.

J. R. Sherhi  
Master, Pilot or Second Officer.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival, or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, which remains unpaid, nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## EXTRACT FROM SUBDIVISION B, RULE 6

iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or  
other indefinite designations.A distinction should be made between farmers and farm laborers, regardless of the  
amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections  
should be made, if necessary, by inspectors and registry clerks during the personal  
examination of alien arrivals.Column 8 (Able to read and write). This column is subdivided and contains the  
following question: "Read what language (or, if exemption is claimed, upon what  
ground)." In answering this question the language or dialect the alien is able to read  
should be stated. If alien is unable to read and claims exemption from the reading  
requirement the ground for such exemption should be given.Column 9 (Nationality). Question 9 should be construed to mean the country of  
which alien is a citizen or subject.Column 10 (Race or people). See list of races printed on back of this sheet. The entry  
should show the race or people as given in said list.Special attention should be paid to the distinction between race and the country of  
which citizen or subject, country of last permanent residence, and country of birth, and  
manifests should be carefully revised by inspectors and registry clerks in this regard. For  
instance, "France" appearing under the head of country does not mean "French" by  
race or people, and, similarly, "French" appearing under the head of race or people does  
not mean "France" by country. An Irish, German, or Hebrew alien by race might  
properly come under the heading of England, Switzerland, or any other country. In this  
connection the following distinctions should be especially observed:

## CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

## WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or  
Negroes.

## SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish  
descent.

## AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other  
islands of the West Indies, North or South America, Europe, or Africa. Any alien with  
admixture of blood of the African Negro should be classified under this heading.

## ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e.,  
contermini of Piedmont, Lombardy, Veneto, and Emilia) and their descendants,  
whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be  
classified as "Italian (north)". Most of these people speak a dialect distinct of the Italian  
language.

## ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po  
(i. e., contermini of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and  
Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants  
should be classified as "Italian (south)".Column 11 (Last permanent residence). Actual or an intended residence of one year  
shall constitute permanent residence. The last country in which alien resided with the  
intention of remaining one year or more shall be the last permanent residence regardless  
of length of actual residence therein. The entries in column 11 should show the country  
and city or town of last permanent residence. It is important for statistical purposes that  
steamship companies accurately show country of last permanent residence independent  
of country of temporary residence, country of birth, nationality, or race.Country of last permanent residence of aliens who are permanent residents of the  
United States and are returning from a visit abroad should be recorded "United States."Column 12 (Name and complete address of nearest relative or friend in country where  
alien came). The entry should give name and address of such relative. If no such relative  
living, give name and address of friend.Column 13 (Final destination). The answer to this question shall show the intended  
future permanent residence. An intended residence of one year shall constitute permanent  
residence. The entry should show definitely the place (city or town) of intended future  
permanent residence, if within the United States; country, if outside the United States.Column 14 (Whether having a ticket to such final destination). The answer should be  
either Yes (ticket) or No (no ticket).Column 15 (By whom was passage paid). The entry should show definitely by whom  
passage was paid, as self, husband, father, brother, or other relative; friend; steam  
ship company, etc.Column 17 (Whether in possession of \$50, and if less, how much). The answer should  
give in each case (individual or family) the exact amount of money shown. Money  
brought by the head of a family should not be divided among the several members of  
the family.Column 18 (Whether ever before in the United States, and if so, when and where).  
The entries should show whether or not (Yes or No) in the United States before; and if so,  
the year (or period of years) and place, as 1894-1897, Philadelphia.Column 19 (Whether going to join relative or friend; and if so, what relative or friend).  
The answer should show whether going to join other a relative or friend; and if so, what  
relative or friend, with name and complete address.Column 20 to 33. These questions are self-explanatory and the answers, like all  
others on the sheet, are subject to revision by inspection officers in the examination of  
aliens. However, in answering question 36, if alien has been deported within one year  
and the Secretary of Labor has authorized him to reapply for admission, the authority  
for such reapplication should be given.

## AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the "CAMERONIAN", sailing therewith, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of DRBSI DRBPI & m, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 6 in number according to the best of my knowledge and belief, are full, correct, and true in all particulars, as to the mental and physical condition of such aliens.

Sworn to before me this 6 SEP 1925 day of September at New York

Signature and title of Surgeon or other officer authorized to administer oaths

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Sworn to before me this 6 SEP 1925 day of Sept at New York.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS**

Separate Sheets should be prepared for each port at which passengers embark

**Column 2 (Head-tax status).**—Steamship lines should make no entries in this column. The space is for use of Government officials only.  
**Column 4 (Age).**—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 5 (Sex).**—The entry should be either M (male) or F (female).  
**Column 6 (Married or Single).**—The answer should be M (married), S (single), W (widowed), or D (divorced).  
**Column 7 (Calling or occupation).**—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
**Column 8 (Able to read and write).**—This column is subdivided and contains the following question: "Read what language for, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.  
**Column 9 (Nationality).**—Question 9 should be construed to mean the country of which alien is a citizen or subject.  
**Column 10 (Race or people).**—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.  
**SPANISH AMERICAN.**  
"Spanish American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

**ITALIAN (NORTH)**

The people who are native to the basin of the River Po, in northern Italy (i. e., Lombardy, Veneto, Trentino, and Friuli) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)". Most of these people speak a Galic dialect of the Italian language.

**ITALIAN (SOUTH)**

The people who are native to that portion of Italy south of the basin of the River Po, (i. e., Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

**Column 11 (Last permanent residence).**—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entry in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of last permanent residence, country of birth, nationality, or race.

**Column 12 (Name and complete address of nearest relative or friend in country whence alien came).**—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

**Column 13 (Final destination).**—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

**Column 14 (Whether alien has a ticket to such final destination).**—The answer should be either Yes (ticket), or No (no ticket).

**Column 15 (Whether alien has passage paid).**—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

**Column 16 (Whether in possession of \$50, and if less, how much).**—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

**Column 17 (Whether ever before in the United States, and if so, when and where).**—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.

**Column 18 (Whether going to join relatives or friend, and if so, what relative or friend).**—The answer should show whether going to join other a relative or friend, and if so, what relative or friend with name and complete address.

**Columns 20 to 33.**—These questions are self-explanatory and the answers, like all others of the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Smart, Master of the SS. Cameron, from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 67 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Robert W. Smart  
Master, Officer.

Sworn to before me this 6 SEP 1925 day of September, 1925

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply acoustician, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Saragines and their descendants should be classed as "Italian (south)." Most of these people speak a dialect of the Italian language.

The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as "United States."

Column 12 (Name and complete address of nearest relative residing in country where alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, country if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry should show definitely by whom passage was paid, i. e., self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of \$10, and if so, how, when, and where).—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when, where, and how).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891-1897, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors and the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the S.S. Cameronia, sailing therewith, do solemnly, sincerely, and truly declare that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L. B. C. S. D. L. K. B. P. D. L. M., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 66 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relating to the mental and physical condition of such aliens.

6 SEP 1925

Sworn to before me this 6 day of September, 1925  
at New York

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.  
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some other authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

**NOTE:** Full text of question 24 is as follows: "Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or opposes to organized government or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member or affiliated with any organization entertaining and teaching divided in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of race or racial characteristics."

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Smart Master, of the Id. Cameron, from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Master's name) - Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age) - The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex) - The entry should be either M (male) or F (female).

Column 6 (Married or single) - The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation) - The entry should describe as accurately as possible the occupation, trade, or profession of each alien upon arrival, as, for example, Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron turner, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A profession should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write) - This column is divided into two parts, each containing the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claim exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality) - Question 9 should be construed to mean the country of which he is a citizen or subject.

Column 10 (Race or people) - See list of races printed on back of this sheet. The entry should show the race or people as given in each list.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject. Country of last permanent residence and country of birth, and natives should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Polish alien by race might properly come under the heading of English, Swiss, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Column 11 (Last permanent residence) - Actual (non-included) residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that domestic residence be accurately shown, country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative living in country whence alien came) - The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination) - The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (Whether having a ticket to each final destination) - The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid) - The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of fare and if not, how much) - The answer should give to each alien (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where) - The answer should show whether or not (since 1894) the United States before, and if so, the year or period of years, and place, as, 1894-1895, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend) - The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23 - These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, to answer any question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the S.S. Cameronia, sailing therewith, do solemnly, sincerely, and truly declare that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.C.S.D. L.R.C.P.S. L.M. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 12 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel Murphy

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the vessel leaves the port.  
If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before an officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification; the mother tongue to be used only to assist in determining the original stock.

NOTE - Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization sustaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assembling or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Smart Master, of the SS Cameronia from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 12 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Robert W. Smart  
Master Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Honor roll).—Steamship lines should make no entries in this column. The space is for use of Government officials only.  
 Column 4 (Age).—The answer to this column should be expressed in years or months; the latter applying only to those under 1 year of age.  
 Column 5 (Sex).—The entry should be either M (male) or F (female).  
 Column 6 (Married or single).—The answer should be M (married), S (single), Wid (widowed), or D (divorced).  
 Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived; as, for example: Civil engineer, stationary engineer, farm motorist, engineer, mining engineer, brick painter, steel painter, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.  
 A distinction should be made between farmer and farm laborer, regardless of the amount of money shown as follows:  
 A farmer is one who operates a farm, either on himself or for others.  
 A farm laborer is one who works on a farm for the man who operates it.  
 Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the physical examination of alien arrivals.  
 Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language for, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.  
 Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.  
 Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race of people as given in and list.  
 Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and race to be carefully requested by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race of people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian, even, however, must properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.  
 The term "Cuban" refers to the Cuban people (not Negroes).  
 WEST INDIAN.  
 "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.  
 SPANISH AMERICAN.  
 "Spanish American" refers to the people of Central and South America of Spanish descent.  
 AFRICAN (BLACK).  
 "African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH)

The people who are native to the North of the River Po in northern Italy, i.e., departments of Piedmont, Lombardy, Veneto, and Friuli, and their descendants, whether residing in Italy, Sicily, Sardinia, Corsica, Austria-Hungary, or any other country, should be classified as "Italian (north)". Most of these people speak a dialect of the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i.e., Campania, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)".  
 Column 11 (Last permanent residence).—Should be an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The answer in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.  
 Country of last permanent residence of alien who are permanent residents of the United States and are not coming from a visit abroad should be recorded "United States".

Column 12 (Able to read and write).—If alien is unable to read and write in any language other than English, the entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, or outside the United States.

Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom fare paid).—The entry should show definitely by whom passage was paid, i.e., self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (If entry is intention of stay and if not, how much).—The answer should give in each case estimated or actual cost of passage, money, and money brought by the head of a family should not be divided among the members of the family.

Column 18 (If alien has ever in the United States, and if so, when and where).—The answer should show when or to what (Yes or No) in the United States before, and if so, the year or years (and place, as 1891, 1897, Philadelphia).

Column 19 (If alien goes to any relative or friend, and if so, what relative or friend).—The answer should show who the person going to is, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self-explanatory and the answers like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been employed more than one year and the Secretary of Labor has authorized him to accept employment, the authority should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the St. Cameronia, sailing therewith, do solemnly, sincerely, and truly declare that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.C.S.D. L.R.C.P.S. L.M. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel Murphy

Sworn to before me this 6 SEP 1925 day of 19,  
at New York

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route to the captain and crew, if there are any, shall be reported before the affidavit is executed.  
If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure, before some other authorized administrator.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Smart, Master, of the W. Cameron from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 11 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Health status). Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (Age). The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry should be either M (male) or F (female).

Column 6 (Married or single). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of land shown, or tithes.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made if necessary, by independent and regular checks during the period of observation of alien arrivals.

Column 8 (Race or people). This column is subdivided and contains the following question: "Read what language (or, if necessary, in which language) the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given."

Column 9 (Nationality). Question 9 should be constructed to mean the country of which alien is a citizen or subject.

Column 10 (Place of birth). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspection and regular checks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negroes whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy are, comparatively of permanent, Lombardy, Venetia, and Friuli, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 11 (Last permanent residence). Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The alien, in column 11, should show the country and city or town of last permanent residence. It is important for statistical purposes that everybody complete accurately these questions of last permanent residence made possible of countries of temporary residence, i.e., country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States".

Column 12 (Intended future permanent residence). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The answer should be either "Yes" (checked) or "No" (checked).

Column 14 (By whom last permanent entry). The entry should show definitely by whom passage was paid, received, furnished, ticket, last permanent entry received, and if not, how paid. The answer should give in each case individual or family the exact amount of money received. Money brought by the head of a family should not be divided among the several members of the household.

Column 15 (Whether ever before in the United States). and if so, when and where. The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (e.g., New York, Philadelphia).

Column 16 (Whether going to such relative or friend, and if so, what relative or friend). The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 23. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been charged with such acts and the Secretary of Labor has authorized him to reapply for admission, the authority to such application should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the S.S. Cameronia, sailing therewith, do solemnly, sincerely, and truly declare that I have had Twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.C.S.D. L.R.C.P.D. L.M., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel Murphy

Sworn to before me this 6 SEP 1925 day of

Note:—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival and any changes that may have occurred en route in the condition of any of the aliens named herein shall be reported before the affidavit is executed. If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification; the mother tongue to be used only to assist in determining the original stock.

**AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER**

I, Robert W. Smart Master, of the S.S. Cameronia from Haagen, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

*RW Smart*  
Master Officer.

Immigration Officer.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS**

Separate sheets should be prepared for each port at which passengers embark.

**Column 2 (Headline, status, citizenship, race)** should make no entry in this column. The space is for use of Government officials only.

**Column 4 (Age)** The answer in this column should be expressed in years or months; the latter applying only to those under 1 year of age.

**Column 5 (Sex)** The entry should be either M (male) or F (female).

**Column 6 (Married or single)** The answer should be M (married), S (single), WD (widowed), or D (divorced).

**Column 7 (Calling or occupation)** The entry should describe as accurately as possible the occupation, trade, or profession of each alien upon arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel pusher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money drawn, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the period of inspection of alien arrivals.

**Column 8 (Date of last arrival)** This column is subdivided and contains the following question: "What was the last date of arrival of each alien?" In answering this question the language or dialect the alien speaks in real should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

**Column 9 (Nationality)** Question 9 should be construed to mean the country of which alien is a citizen or subject.

**Column 10 (Race or people)** See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "Irish" appearing under the head of race or people does not mean "Irish" by country. An Irish, German, or Italian alien who has been properly named under the heading of English, Scottish, or any other country. In this connection the following distinctions should be especially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than other Cubans or Negroes.

**SPANISH AMERICAN.**

"Spanish American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

**ITALIAN (NORTH)**

The people who are native to the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Lombardy, Veneto, and Friuli and their descendants should be shown as "Italian (north)". Most of these people speak a Celtic dialect of the Italian language.

**ITALIAN (SOUTH)**

The people who are native to that portion of Italy south of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be shown as "Italian (south)".

Country of last permanent residence of alien who are permanent residents of the United States and are operating from a valid contract should be recorded as "United States".

**Column 12 (Address and complete address of nearest relative or friend telegraphing alien since arrival)** The entry should give name and address of such relative. If no such relative living, give name and address of friend.

**Column 13 (Final destination)** The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

**Column 15 (If alien having a ticket to such final destination)** The answer should be either Yes (ticket) or No (no ticket).

**Column 16 (By whom was passage paid)** The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

**Column 17 (If ticket in possession of \$10 and of less than \$100)** The answer should give name of individual or family, the exact amount of money shown. Money brought by the holder of a family ticket may be divided among the several members of the family.

**Column 18 (Whether ever before in the United States, and if so, when and where)** The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years) and place, as 1891, 1892, Philadelphia.

**Column 19 (Whether alien is a relative or friend, and if so, what relative or friend)** The answer should show whether going to join other relative or friend; and if so, what relative or friend, with name and complete address.

**Column 20 to 23.** These questions are self-explanatory and the answers, like all others on the sheet, are subject to review by inspection officers on the examination of alien. However, in answering question 26, if alien has been reported within one year and one Secretary of Labor has collected him to apply for admission, the authority for such collection should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the St. Camerino, sailing therewith, do solemnly, sincerely, and truly declare that I have had Twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.B., L.D., L.R.R.D., L.M., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 9 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel Murphy

Sworn to before me this 6 SEP 1925 day of September, 1925

at New York

(Signature and title of immigration or other officer authorized to administer this)

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure, before an immigration officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

## AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

1. *Robert W. Smart* Master, of the *H. Cameron* from *Glasgow*, do  
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon  
employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the  
foregoing Lists or Manifest Sheets, *9* in number, and that from the report of said surgeon and from my own  
investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by  
section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in  
said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. R. Smart  
 Master, Officer.

*Immigration Officer.*

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Boat or station*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 *Age*—The Answer in this column should be expressed in years or months (no latter applying only to those under 1 year of age).

Column 6 (Married or single). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

(column 7 (*Calling or occupation*)). The entry should describe as accurately as possible the occupation, trade, or profession of each individual, as, for example: farm engineer, stationary engineer, law officer, engineer, mining engineer, draper, painter, steel painter, iron molder, wood turner, etc., and not simply as chairman, publisher, master, turner, or other descriptive title, etc.

A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.

if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

"Read what language [or, if exemption is claimed, upon what grounds]." In answering this question the language or stated the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be stated.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Special attention should be paid to the distinction between race and the country of which citizen or subject country of last permanent residence is given.

subject, country of last permanent residence, and country of birth, and questions should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Bohemian even by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinction should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

West Indian" refers to the people of the West Indies other than natives (Schwartz, 1990).

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i.e., counterparts of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzer-land, Austria-Hungary, or any other country, should be classed as "Italian (northern)." Most of these people speak a generic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Lombardy, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia) and those who are not, shall be classified as follows:

Category I: *First permanent residence*. Actual or an intended residence of one year plus domicile-permanent residence. The last category in which actual resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The natives of Italy shall be deemed domiciliary in any city or town of last permanent residence. It is important for national purposes that this final permanent residence shall also be the last permanent residence indicated on country of temporary residence, country of birth, nationality, or race.

(Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad, leave be recorded "United States")

(Column B2 (Name and current address of nearest relative) send in country where alien came) The entry should give name and address of such relative. If no such relative living, give name and address of friend.

(Column 13 (*Final destination*)). The answer to this question shall show the intended future permanent residence. If a intended residence of one year shall constitute permanent residence. The entry should show, in detail, the place of intended future permanent residence, destination to, from.

Column 15 (If *neither* having a ticket to such final destination) The answer should be either Yes (ticket)

Column 16 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, i.e., self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Was there in possession of \$50, and if less, how much*). The answer should give in each case individual or family the exact amount of money found. Money brought by the head of a family should

Colman 18 (Whether ever before in the United States—and if so, when and where). The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and

ask whether or not (1) a man is in the United States, (2) he is 40, and if so, the year (or period of years) and place, as 1894-1895, Philadelphia.

Colman 20 to 24—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of the case. If necessary.

are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the U.S. Cameronia, sailing thencewith, do solemnly, sincerely, and truly declare that I have had twelve years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.C.S.D. L.R.C.P.S. L.M. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 8 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Signature and title of immigration or other officer authorized to administer oaths

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Notes - Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbeliefs in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Smart, of the U.S. Cameron from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Robert W. Smart  
Master Officer

Sworn to before me this 6 SEP 1925 day of 1925  
at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Master's name*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.  
Column 4 (*Age*).—The answer in this column should be expressed in years or months, two latter applying only to those under 1 year of age.  
Column 5 (*Sex*).—The entry should be M (male) or F (female).  
Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).  
Column 7 (*Profession or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, (a) engineer, stationary engineer, iron-motive engineer, mining engineer, house painter, steel painter, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of time spent on the farm.  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks, during the personal examination of alien passengers.  
Column 8 (*State of birth*).—This column is subdivided and controls the following questions:  
Read what language (or, if exemption is claimed, upon what ground)? In answering this question, the language or dialect the alien is able to read should be stated. If such is unable to read and claim exemption from the reading requirement, the ground for such exemption should be given.  
Column 9 (*Native-born*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.  
Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race of the people as given in said list.  
Special attention should be paid to the distinction between race and the country of which alien is a citizen, subject of last permanent residence, and country of birth, and manifests should be corrected, if necessary, by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Belgian alien, the race might properly come under the heading of English, Swiss, or French, respectively, under the heading of race or people, but the country of birth should be given under the heading of country of birth.

CUBAN  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN  
"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.  
SPANISH AMERICAN  
"Spanish American" refers to the people of Central and South America of Spanish descent.  
AFRICAN (BLACK)  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or North America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i.e., departments of Piedmont, Lombardy, Venetia, and Trentino, and their descendants, whether residing in Italy, Sicily, Sardinia, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a true dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i.e., departments of Liguria, Tuscany, the Marches, Apulia, Friuli, the Abruzzi and Molise, Campania, Apulia, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)".  
Column 11 (*Last permanent residence*).—Alien or an alien's last permanent residence of one year shall constitute permanent residence. The last country to which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entry in column 11 should show the country, city, or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence and permanent residence of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States".  
Column 12 (*Value and nature of assets*).—The answer to this question should be given in terms of value. The entry should give name and address of such relative. If no such relative lives, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show distinctly the place, city, or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Whether ever present in the United States*).—The entry should show definitely by whose passage was paid, or self, husband, father, mother, or other relative, friend, steamship company, or other person.

Column 16 (*Whether ever present in the United States before*).—The answer should show whether or not (Yes or No) in the United States before, and if so, what relative or friend, with name and complete address.

Column 17 (*Whether ever present in the United States before*).—The answer should show whether or not (Yes or No) in the United States before, and if so, what relative or friend, with name and complete address.

Column 18 (*Whether ever present in the United States before*).—The answer should show whether or not (Yes or No) in the United States before, and if so, what relative or friend, with name and complete address.

# AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the S.S. Cameronia, sailing therewith, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L. B. S. L. B. P. S. L. M. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel Murphy

Sworn to before me this 6 SEP 1925 day of September, 1925  
at New York

Note:—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some official authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, R. W. Smart master, of the \_\_\_\_\_ from Glasgow, do solemnly, sincerely, and truly deduce that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, FO a number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

R. W. Smart  
master officer.

Sworn to before me this 6 day of SEP 1925, 19  
at New York

Immigration Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Health status). Steamship lines should make no entries in this column. The space is for use of Government officials only.  
Column 4 (Age). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 5 (Sex). The entry should be male (M) or female (F).  
Column 6 (Married or single). The answer should be M (married), S (single), Wd (widowed), or D (divorced).  
Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply workman, painter, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as wages.  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the owner who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 8 (Able to read and write). This column is subdivided and contains the following question: "Read what language for, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.  
Column 9 (Native-born). Question 9 should be construed to mean the country of which alien is a citizen or subject.  
Column 10 (Race or people). See list of races printed on back of this sheet. The entry should show the proper people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Italian known by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.  
SPANISH AMERICAN.  
"Spanish American" refers to the people of Central and South America of Spanish descent.  
AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to that portion of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Veneto, and Friuli) and their descendants, at birth residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 11 (Last permanent residence). A land or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The address in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States".  
Column 12 (Name and complete address of nearest relative or friend in country whence alien came). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to each final destination). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). The entry should show definitely by whom passage was paid, as self, husband, father, brother, neighbor, relative, friend, steamship company, etc.

Column 17 (If holder in possession of pass and ticket, how much). The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be included among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where). The answer should show whether or not (Yes or No, in the United States before, and if so, the year (or period of years) and place, as 1894, 1897, Philadelphia).

Column 19 (Is alien going to visit a relative or friend, and if so, what relative or friend). The answer should show whether going to visit a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 24. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 25, if alien has been employed within one year and 15, Secretary of Labor has authorized him to supply, for information, the authority for such employment should be given.

# AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the "CAMERONIA", sailing therewith, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of DRCS.1 DRCP1 L.M., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 59 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Sworn to before me this 6 SEP 1925 day of 19,  
at New York.

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the contents of any of the documents hereon, shall be made before the affidavit is executed.  
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

investigation, I believe that no one of said persons is of any of the classes excluded from admission into the United States by

said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

A district list should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

shown, as follows:

A farmer is one who operates a farm either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A farm laborer should make his farm his home, and his farm should be made his home.

Stated in comparison, should make his farm his home, and his farm should be made his home.

if necessary, by the State, and the State should be made his home, and his farm should be made his home.

column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between one and two country of which a citizen is subject, country of his permanent residence, and country of birth, and passports should be issued only to persons by inspection and registration in this regard. For instance, a French appearing under the head of a country does not mean a French citizen, nor a person and, similarly, a French appearing under the head of a country does not mean a French citizen. An Irish, German, or Hebrew alien to the head of a country does not mean a French, Czechoslovak, or any other country. In the course of the following discussions should be especially observed.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Habit or status).—Steamship lines should make entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer to this column should be expressed in years or months; the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should be made as accurately as possible the occupation, trade, or profession of each alien arrived as follows: Civil engineer, employee, business position, musician, painter, printer, engineer, farmer, soldier, sailor, student, teacher, wood turner, etc., and not simply assistance, janitor, helper, waiter, or other general description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or operator.

Steamship companies should make entries in this column, and entries in it should be made, if necessary, by inspectors.

Column 8 (This is used only in cases of children).—This column should be filled in with the question: "Read what language for the child is spoken at home?" In answering this question the language or dialect should be stated as read and understood.

Column 9 (Nationality).—This column should be filled in with the country of which the alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in the list.

Special attention should be given to the distinction between race and the country of which an alien is subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and filled in this regard.

For instance, a native-born American citizen, born in the United States, who has been naturalized in the United States, should be classified as "American" under the heading of race or people, and not as "English," "Irish," "Scottish," or "German," or any other country. In this connection the following directions should be especially observed:

### CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

### WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

### SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN NEGRO

"African (black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, North or South America, Europe, or Asia. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia and Emilia, and their descendants, whether residing in Italy, SAMOUE, Italy, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect distinct from the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. These instructions apply to the last permanent residence of the alien, not to the last permanent residence of the alien's parents or grandparents.

Column 12 (Name and complete address of nearest relative or friend in country where alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (checked) or No (unchecked).

Column 15 (By whom was passage paid).—The entry should show definitely by whom passage was paid: self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of \$20, and if so, how much).—The entry should give in each case the dollar value of the money brought by the alien, or the money brought by the head of a family should not be included in the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entry should show whether or not the alien has been in the United States before, and if so, the year or period of years, and place, as, for instance, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 24.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these northeastern Austrians speak a Gallic dialect of the Italian language.

in column 11 should show three: country and city or town of last permanent residence. It is important for statistical purposes that relationships among countries clearly show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Only item 12. Name and complete address of nearest relative or friend in country whence alien came. The entry should give name and address of such relative. If no such relative living, give name and address of friend.

(column 13 *Final destination*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; or, if outside the United States.

Column (5) Whether having a ticket to each final destination. The answer should be either Yes (ticket or No (no ticket).

Column 12. *Whether in possession of \$500 and if less, how much*—The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be included among the several members of the family.

Column 18. (*Whether ever born in the United States; and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, *ns.*, 1894 [189], Philadelphia.

Column 19 (*Whether going to visit relative or friend* and if so, what relative or friend). The answers should show who is going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on this form, are subject to revision by the United States officers in the examination of aliens. However, in answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, R. M. ## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Headline status).—Steamship lines should make an entry in this column. The space for the name of the vessel should be filled in. The answer in this column should be expressed in years or months; the latter applying only to those under 1 year of age.  
Column 3 (Sex).—The entry should be "male" or "female".  
Column 4 (Married or single).—The answer should be "M" married, "S" single, "W" widowed, or "D" divorced.  
Column 5 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived as, for example, "Coal miner," "Shipyard engineer," "House painter," "Mining engineer," "Lumberman," "Farmer," "Merchant," "Student," "Artist," etc., and not simply as "passenger," "police," "in clerk," or "other common designation".  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for wages or for board and keep.  
Steamship companies should make an entry in this column for the purpose of determining the nationality of the passengers and the country of birth of the passengers.  
Column 6 (Date of birth).—This column is to be filled in and contains the date of birth of the passenger. "Read what language for, if exact date is not known, give a statement of the age." In answering this question the language or dialect (whether written or oral) should be stated. If Italian is spoken, give the dialect. If the language is not known, the passenger should be marked "N.".  
Column 7 (Nationality).—Question 7 should be answered to mean the country of which the alien is a citizen or subject.  
Column 8 (Place of birth).—See list of places printed on back of this sheet. The entry should show the name of the place of birth and the name of the country of which the alien is a citizen or subject.  
Special attention should be paid to the distinction between the name and the country of birth of the alien or subject, country of last permanent residence, and country of birth and residence should be carefully recorded by inspectors and agents, since in this regard, for instance, "France" appearing under the head of a passenger does not mean "France" but "France" as a country. An Irish, German, or Italian alien who has recently properly come under the heading of "Immigrant" as a husband, or any other country. In this connection the following instructions should be especially observed:

### CUHAN.

The term "Cuban" refers to the Cuban people, not Negroes.

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than the Cuban or Negroes.

### SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN NEGRO.

"African (black)" refers to the African Negro, whether coming from Africa or the islands of the West Indies, North or South America, Europe, or Africa. Any alien with ancestry or blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., statements of Piedmont, Liguria, Aosta, and Valle d'Aosta, and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)".

Column 11 (Country of last residence).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The answer in column 11 should show the country, city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be marked "United States".

Column 12 (Name and address of nearest relative or friend in country whence alien came).—The answer should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. As requested residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to final destination).—The answer should be either "Yes" (ticket) or "No" (no ticket).

Column 15 (By whom was passage paid).—The entry should show definitely by whom passage was paid, such as "By husband," "By father," "By brother," or "By other relative," "By steamship company," or "By other." If the answer is "By steamship company," the answer should give in each case the name of the company, the name of the vessel, and the name of the agent.

Column 16 (Whether or not, since coming to the United States, and if so, when and where).—The entries should show whether or not, since coming to the United States, and if so, when and where, the alien has been employed, or has been in the United States before, and if so, the year (or period of years) and place, in 1901-1902, 1903-1904, 1905-1906, 1907-1908, 1909-1910, 1911-1912, 1913-1914, Column 2 (Head tax status). Steamship lines should make no entries in this column. The space is for use of Government officials only.  
Column 4 (Age). The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 5 (Sex). The entry should be either M (male) or F (female).  
Column 6 (Married or single). The answer should be M (married), S (single), Wd (widowed), or D (divorced).  
Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, steamship engineer, locomotive engineer, mining engineer, typesetter, steel painter, iron moulder, wood turner, etc., and not simply an engineer, painter, moulder, turner, or other indefinite description.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspection and registry clerks during the personal examination of alien arrivals.  
Column 8 (Place of birth and date of birth). This column is subdivided and contains the following questions: "Read what language this alien speaks, upon what ground?" In answering this question the language in which the alien is able to read should be stated. If also is unable to read and cannot answer questions from the preceding requirements, the ground for such exemption should be given.  
Column 9 (Nationality). Question 9 should be continued to mean the country of which the alien is a citizen or subject.  
Column 10 (Race or people). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and similarly, "Irish" appearing under the head of race or people does not mean "Irish" by country. An Irish, German, or Italian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.  
"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuban or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po in northern Italy (i.e., compartments of Lombardy, Liguria, Veneto, and Trentino) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i.e., compartments of Liguria, Liguria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)." Column 11 (Last permanent residence). Alien or alien arriving resident of one year shall constitute permanent residence. The last country, in which alien residing with the intention of remaining a permanent resident, shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for national purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who is permanent resident of the United States and are returning from a visit abroad should be recorded "United States."  
Column 12 (Whether coming to the United States as a tourist or as a resident). The entry should give name and address of such relative. If no such relative living, give name and address of the alien.

Column 13 (Final destination). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.  
Column 14 (Whether having a ticket to such final destination). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom fare passage paid). The entry should show definitely by whom passage was paid, as well as husband, father, mother, or other relative, friend, steamship company, etc.  
Column 16 (Whether in possession of money, and if so, how much). The answer should show in cash and money, the exact amount of money shown. Money brought by the head of a family should not be divided among the other members of the family.

Column 18 (Whether ever before in the United States). and if so, when and where. The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, 1881-1907, Philadelphia.

Column 19 (Whether previously in possession of money, and if so, what relative or friend). The answer should show whether, going to join other relatives or friends, and if so, what relative or friend, with name and complete address.

Columns 20 to 23. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been requested, under any law, to perform military or labor has authorized him to accept for admission, the authority for such request should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Smart Master, of the SS 'Cameron' from Glasgow, do solemnly, sincerely, and truly declare, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 14 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Housing status).—Stevedores should make no entries in this column. The space is for use of Government officials only.  
Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 16 years of age.  
Column 5 (Sex).—The entry should be either M (male) or F (female).  
Column 6 (Married or single).—The answer should be M (married), S (single), W (widowed), or D (divorced).  
Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, steamship engineer, deck motive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, painter, model, turner, or other common designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as income.  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Stevedores should also show the distinction in the occupation of alien arrivals.  
Column 8 (Education).—This column is subdivided and contains the following question: "What school instruction has been received, upon what grounds?" In answering this question the language or dialect the alien is able to read should be stated. If unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.  
Column 9 (Marriage).—Question 9 should be construed to mean the country of which alien was citizen or subject.  
Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth and nationality should be recorded as required by inspectors and registrars (check in this regard). For instance, "French" appearing under the head of country does not mean "French" by race or people, and similarly, "Irish" appearing under the head of race or people does not mean "Irish" by country. An Irish, German, or Italian alien by race might properly come under the heading of English, Scotchman, or any other country. In this connection the following distinctions should be especially observed:

- CUBAN**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN**  
"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.  
**HISPANIC AMERICANS**  
"Spanish American" refers to the people of Central and South America of Spanish descent.  
**AFRICAN (BLACK)**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Asia. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gaelic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that stevedores accurately show country of last permanent residence independent of country of passport, country of birth, nationality, or race.  
Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States".  
Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living give name and address of next of kin.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, or country, if outside the United States.  
Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom one person paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, or ship company, etc.

Column 17 (Whether in possession of \$20 and if less, how much).—The answer should give in each case received in family, the exact amount of money shown. Money brought by the head of a family should not be included above, the amount of money shown.  
Column 18 (Whether ever came to the United States, and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and places, 1894-1895, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 24.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of sheets. However, in answering question 20, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the necessary facts should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the U.S.A.M.H., do solemnly, sincerely, and truly declare that I have had 13 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I. & R.C.P.I. & M. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel Murphy

Sworn to before me this 11.6 SEP 1925 day of 19

at New York

Signature and title of immigration or other officer authorized to administer oaths

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W Smart Master of the SS "Cameronia" from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Manner of arrival). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age). The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5 (Sex). The entry should be either M (male) or F (female).

Column 6 (Married or single). The answer should be M (married), S (single), WD (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, steamship engineer, boat builder, painter, machinist, farmer, laborer, etc. and not simply as passenger, porter, waiter, etc. or other miscellaneous occupations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as wages.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and treasury clerks during the physical examination of alien arrivals.

Column 8 (Race and people). This column is subdivided and contains the following questions:

"Legal what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality). Question 9 should be continued to mean the country of which alien is a citizen or subject.

Column 10 (Race or people). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and treasury clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "English" appearing under the head of race or people does not mean "English" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### GERMAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Lombardy, Venetia, and Trentino and their dependencies, including Trentino, Italy, Trieste, Udine, Gorizia, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their dependencies should be classed as "Italian (south)".

Column 11 (Last permanent residence). A year or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The alien's intention should be shown by the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence and point of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States".

Column 12 (Name and complete address of nearest relative in foreign country where alien came). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (Whether having a ticket to each final destination). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom were passage paid). The entry should show definitely by whom passage was paid, i.e., self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of \$20 and if not, how much). The answer should give in each case the amount of money brought by the alien, and if not, how much.

Column 17 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 18 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 19 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 20 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 21 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 22 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 23 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

Column 24 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (Yes or No, in the United States before, and if so, the year or period of years) and place, e.g., 1881-1882 Philadelphia.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W Smart Master of the SS. Llanoria from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 11 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Robert W Smart

Officer.  
Master

Sworn to before me this 6 SEP 1925 day of

at New York

Immigration Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Health status). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry should be either M (male) or F (female).

Column 6 (Married or single). The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: (1) civil engineer, shipowner, engineer, brewer, native engineer, mining engineer, brass polisher, steel polisher, iron roller, wood turner, etc., and not simply as engineer, polisher, modeler, etc., or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the person who operates it.

Swampship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the period of examination of the alien arrivals.

Column 8 (Place of birth and residence). This column is subdivided and contains the following questions: "Read what language (or, if English is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks during this period. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Veneto, and Veneto) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 11 (Last permanent residence). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The manifest in column 11 should show the country, city, or town of last permanent residence. It is important for national purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States".

Column 12 (Name and relationship of nearest relative or friend in country whence alien came). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (Who is to pay passage fare). The entry should show definitely by whom passage was paid, or will be paid, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (If under the payment of \$10, and if not, how much). The answer should give in cash or in kind (including or family) the amount of money shown. Money brought by the head of a family should not be included among the money shown.

Column 18 (Whether ever before in the United States, and if so, when and where). The answer should show when, or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1891, 1892, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend). The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 (Remarks). These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if an alien has been rejected within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the "CAMERON", sailing herewith, do solemnly, sincerely, and truly declare that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of A.R. & S.I. A.R. & P.I. A.M. and that I have made a personal examination of 10 each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 6 SEP 1925 day of September, 1925

Signature and title of immigration or other officer authorized to administer oaths.

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the above named persons, or the manifest, shall be so stated before the said officer. If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Habit or status). Steamship lines should make no entries in this column. The space is for use of Government officials only.  
Column 4 (Age). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 5 (Sex). The entry should be male or female.  
Column 6 (Married or single). The answer should be M (married), S (single), Wid (widowed), or Div (divorced).

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien named, as, for example, Civil engineer, Electrical engineer, House painter, Engineer, Tailor, Farmer, etc., and not simply as engineer, painter, tailor, etc., unless the occupation is obvious.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and require clerks during the personal examination of alien arrivals.

Column 8 (Last name and first name). This column is subdivided and contains the following question: "Read what language, if any, is spoken, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If able to read and speak the language from the manifest requirements, it should be given for such exemption should be given.

Column 9 (Nationality). Question 9 should be continued to mean the country of which alien is a citizen or subject.

Column 10 (Race or people). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and the entries should be carefully reviewed by inspectors and require clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Italian alien by race might properly come under the heading of English, Swiss, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Lombardy, Veneto, and Friuli, and their descendants, whether residing in Italy, Southern Italy, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Column 11 (Last permanent residence). Actual or anticipated residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence under heading of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom cost passage paid). The entry should show definitely by whom passage was paid, i.e., self, husband, father, brother, or other relative, friend, or company, etc.

Column 16 (Whether in possession of cash and, if yes, how much). The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be included among the assets of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or years) and place, as, 1894-1897, Philadelphia.

Column 18 (Whether previously in possession of passport, and if so, what relative or friend). The answer should show whether going to join, either a relative or friend, and also, what relative or friend, with name and complete address.

Columns 19 to 24. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 24, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert W. Best Mastri, of the SS. Camerunia from Glasgow, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Health status*). Steaming lines should make no entries in this column. The space is for use of Government officials only.  
Column 4 (*Age*). The answer in this column should be expressed in years or months (the latter applying only to those under 1 year of age).  
Column 5 (*Sex*). The entry should be either M (male) or F (female).  
Column 6 (*Married or single*). The answer should be M (married), S (single), W3 (widowed), or D (divorced).  
Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, civil engineer, stationary engineer, lines, motive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply be one word, polisher, molder, turner, or other indefinite designation.  
A distinction should be made between farmers and farm laborers, regardless of the amount of land, stock, or fixtures.  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steaming companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and masters during the personal examination of alien arrivals.  
Column 8 (*Can read and write*). The answer should be either Yes (which is subdivided and contains the following question: "Read what language?") or No. In answering this question the language to which the alien is unable to read and write should be stated. If unable to read and write, the language should be stated.  
Column 9 (*Native-born*). Question 9 should be confined to mean the country of which alien is a citizen or subject.  
Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked by inspectors and masters in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following definitions should be especially observed:

- CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.
- SPANISH AMERICAN.  
"Spanish American" refers to the people of Central and South America of Spanish descent.
- AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy are, comparatively, Piedmont, Lombardy, Veneto, and Veneto, and their descendants, whether born in Italy, Sicily, Sardinia, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a local dialect of the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. If alien is in country 11 should show the country and city or town of last permanent residence. It is important to state, if possible, the purpose that alien came to the United States, country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.  
Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.  
Column 14 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, etc., and the amount paid.

Column 16 (*Whether in possession of \$20 and if not, how much*). The answer should give in each case individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*). The answer should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1881-1887, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*). The answer should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if an alien has been deported within one year prior to the date of labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF SURGEON

I, Daniel Murphy, Surgeon of the "CAMERA",  
solemnly, sincerely, and truly declare that I have had 12  
years' experience as a Physician  
and Surgeon, and that I am entitled to practice as such by and under the authority of  
LRBSI LRBP1 Am., and that I have made a personal examination of  
8 in number, according  
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical  
condition of such aliens.

Daniel Murphy

Sworn to before me this 6 SEP 1925 day of September, 19  
at New York.

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in  
the condition of any of the aliens named herein, shall be made before the affidavit is executed.  
If a surgeon does not sail with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and  
the language they speak. The original stock or blood shall be the basis of the classifica-  
tion, the mother tongue to be used only to assist in determining the original stock.
